

Become a Driving Instructor With DS UK Driver Training Consultants

Start a new career as a Driving Instructor, with great earning potential and job satisfaction you can choose the days and hour you want to work. As a Driving Instructor these are decisions that you can now make because you are your own boss. As an Instructor your potential earnings could be in the region of £25,000 to £30,000 a year.

A career as Driving Instructor is very rewarding. Teaching people to pass their driving test and therefore changing their lives forever.

Being your own boss makes a difference to your life as well. It means that you can choose when to take time off or when to book holidays, this is a great help when fitting in with family.

DS UK will train you to the very highest standard. There are three stages to becoming a driving instructor

- Part One

A theory test for which you have 40 minutes to answer a hundred, multiple-choice questions.

- Part Two

A driving test which lasts approximately an hour to assess your driving ability.

- Part Three

You are tested on your ability to teach.

DS UK will provide all the necessary training you will need to pass all three exams.
